## **Pirelli Tires joins the TSRMX/Eric Saunders Team for 2010**

Lakeville, IN (November 8, 2009) - Tony Stewart Racing MX/Eric Saunders is proud to announce a new partnership with Pirelli Tires for the 2010 season.

“Things are really coming together for our 2010 season and I’m very excited about this new partnership”, said Eric. He went on to say, “Running on Pirelli Tires will definitely give our bikes the competitive edge this season.”

Jake Hamlin from Pirelli said, “Eric is the type of racer that every sponsor wants and we’re excited to be working with him in 2010. His attitude reflects that of a true professional, which is exactly what we look for in a rider. It’s not just about results, but also how you carry yourself off the track that people remember. We see a bright future ahead for Eric and we’re glad he chooses Pirelli Scorpion MX tires for his racing.”
